

Pembroke Advanced Communications

Refer a friend, relative, neighbor or co-worker and receive \$50 from PAC!

Just write your name and phone number on each of the referral cards and give them to your friends. When each referral signs up for service and presents the referral card, you'll receive \$50 for each new confirmed account to use toward PAC products and services and \$25 for existing customers who add a new confirmed service.

Ask your friends to present this card at PAC when signing up for service.
